Received: 30 July 2012 / Published: 31 July 2012

The authors wish to delete the beamline BL44XU from the Acknowledgments section of their paper recently published in *IJMS* [1]. Therefore, the Acknowledgments section is revised as follows:

Acknowledgments

This research was supported by the Ministry of Science, Technology, and Innovation, Malaysia. Project number 01-01-04-SS007. This work was performed using a synchrotron at SPring-8 under the Cooperative Research Program of the Institute for Protein Research, Osaka University.
