## Error in Figure

In the original article [1], there was a mistake in Figure 2 Taxonomy of *Hymenoptera* as published. The figure shows pictures of members of the *Vespidae* family. Two of these images were wrong. *Polistes* picture showed a *Vespula*, and contrariwise *Vespula* picture presented a *Polistes*. The corrected Taxonomy of *Hymenoptera* appears below. The authors apologize for any inconvenience caused and state that the scientific conclusions are unaffected. The original article has been updated.

**Figure 2.** Taxonomy of *Hymenoptera*.
