## Health Professional Education and Primary Health Care

Guest Editor:

**Dr. Hirotaka Onishi**

Department of International  
Cooperation for Medical  
Education, International  
Research Center for Medical  
Education, Graduate School of  
Medicine, The University of  
Tokyo, Tokyo 113-0033, Japan

Deadline for manuscript  
submissions:

**closed (29 February 2024)**

### Message from the Guest Editor

To promote general practice in the undergraduate community, longitudinal integrated clerkship and community-based interprofessional education programmes have been proposed as new types of education practices.

In this Special Issue on the theme of medical education and primary care, we would like to summarize the latest information on how to teach the principles that are important for primary care in depth.
